

3 - 5 DECEMBER | 2026
Chennai Trade Centre, Chennai

Open Seminar & Business Meet on

Paper Converting, Printing, Packaging & Corrugated Box Innovation and Technology

The Open Seminar & Business Meets at Paperex South India 2026 serves as a three-day strategic platform bringing together industry leaders and innovators to explore the future of the paper, printing, packaging, and converting sectors. Day 1 kicks off with a focus on paper printing, featuring live demonstrations and expert talks on technical trends across commercial and packaging applications. Day 2 shifts the spotlight to paper packaging, exploring sustainable, biodegradable solutions and eco-conscious global practices. Day 3 deep-dives into paper converting, showcasing the machinery and customization trends used to process raw sheets into finished products like tissues and labels. This event provides essential networking and knowledge exchange to help professionals adopt the latest technologies shaping these allied industries.

DAY – 1 (3rd DECEMBER 2026 – THURSDAY)

09:00 – 10:00 – **Registrations**
10:00 – 10:30 - **Opening Remarks**

Session – 1 (10:30 – 11:30)
The Essentials of Paper Converting: Optimizing Raw Material Selection for Durability and Heat Resistance!

Session – 2 (11:30 – 12:30)
Bridging the Policy–Practice Gap: Advancing Reliability to Sustainability™ through Precision Emission Monitoring for Paper Industry

Session – 3 (12:30 – 13:30)
From Packaging to Planet: Reimagining Paper Converting and Corrugated Boxes for a Net-Zero Future”

Session – 4 (13:30 – 14:30)
Sustainable Specialty Chemicals for Paper Conversion: Enabling Recycling and Circular Economy

Session – 5 (14:30 – 15:30)
Precision Maintenance: Optimizing Performance of Tissue Folder and Cup Forming Heater Systems!

Session – 6 (15:30 – 16:30)
Scalability in Converting: An ROI Analysis and Strategic Space Planning Approach!

DAY – 2 (4th DECEMBER 2026 – FRIDAY)

Session – 1 (10:00 – 11:00)
Eco-Friendly Innovation: Sustainable Alternatives in Technology!

Session – 2 (11:00 – 12:00)
The Psychology of Paper Packaging: Consumer Behavior and Sustainable Choices!

Session – 3 (12:00 – 13:00)
Prevailing Packaging Concepts Paper, Board & Allied Industry

Session – 4 (13:00 – 14:00)
My Learnings from Trying to Take Over a 1000 Cr U.S. Paper Packaging Company!

Session – 5 (14:00 – 15:00)
Post-Print Enhancement and Finishing: Techniques, Trends, and Technologies!

Session – 6 (15:00 – 16:00)
Smart Packaging & Traceability for Consumer Engagement!

Session – 7 (16:00 – 17:00)
Quality Control in the High-Volume Printing Industry: Challenges and Innovations!

DAY – 3 (5th DECEMBER 2026 – SATURDAY)

Session – 1 (10:00 – 11:00)
Lightweighting in Packaging: The Pros and Cons!

Session – 2 (11:00 – 12:00)
High-Performance Paper and Poly lactic acid-based Biopolymer hybrid structures- Building circularity!

Session – 3 (12:00 – 13:00)
Engineering Scalability: Structural Innovation for the Future of E-commerce Platforms!

Session – 4 (13:00 – 14:00)
Smart Quality Assurance: Revolutionizing Testing with IoT Sensors!

Session – 5 (14:00 – 15:00)
The Transformative Power of Digital Printing in Corrugated Packaging!

Session – 6 (15:00 – 16:00)
Automated Sorting and Packing Systems: Transforming Logistics and Supply Chain Efficiency!

Session – 7 (16:00 – 17:00)
AI and Smart Automation: Using data and machine learning
