The Hon'ble Vice President extends his greetings and congratulation to the organizers and the participants and wishes the event all success.

Shri M Venkaiah Naidu, Hon'ble Vice-President of India

I am pleased to learn that paperex South India 2018 and 5th international Exhibition and conference on pulp, paper and allied industry are being organized at Chennai. A technical conference on 'recycling and packaging' being organized on the occasion is particularly relevant in the context of conserving the environment.

Paperex South India is an occasion to learn about the latest innovations in the paper industry from the experts in the field. The endeavor must be to come up with technologies that optimize efficiency and promote recycling and reuse of paper.

I hope that the international exhibition will provide the paper industry to identify its challenges as well as come up with an actionable roadmap to overcome these challenges.

Best wishes for a successful edition of Paperex South India 2018 and the international conference.

Shri Narendra Modi, Hon'ble Prime Minister Government of India

India Newspaper Society (INS) applauds the great initiative for taking the Indian
Shri Jayant Mammen Mathew, President, Indian Newspaper Society

At the outset let me congratulate all the participants of the Paperex South India '2018 – 5th International Conference and Exhibition on Pulp, Paper and Allied Industry being held from 15-17th November 2018 at Chennai Trade Centre, Chennai, India. This 5th Series of Paperex South India organised in Southern part of India jointly by INPAPER International, a publication on world pulp and paper industry brought out by Indian Agro & Recycled Paper Mills Association (IARPMA) and ITEI (International Trade and Exhibitions India Pvt. Ltd). As an apex body of Indian Paper Industry, Indian Agro & Recycled Paper Mills Association is always in forefront to bring state of the art technologies to the door step of Indian paper Industry through its world class publication "INPAPER International - a journal on world Pulp and Paper Industry" which has become the "eyes and ears" of the industry. I am sure that Paperex South India 2018 will be an ideal platform for the technology buyers as this B2B event will show-case the world class technologies to meet the emerging requirements of Indian Paper and packaging industry.

Today recycling is an important part of Indian paper Industry and out of total paper production in the country, more than 70% of paper and board is manufactured out of waste paper. However, the industry has to heavily depend on imports to meets its growing demand because of non-availability of indigenous waste paper due to its poor recovery ratio in our country. To synchronize with the exhibition, a three days Technical conference is also being organized with the theme on "Recycling and Packaging" where the industry experts will share their expertise and knowledge on all the burning issues such as raw material, technology, etc., with the delegates of Paperex South India 2018 Conference. The theme of the conference is quite relevant considering the present context of Indian paper industry. I am sure Paperex South India 2018 will address major issues of the Industry, particularly in Southern part of our country where large number of paper mills based on Recycled Fibre are located. I hope the paper and packaging industry here will adopt latest technologies in their production line to be more competent and also to meet the expectations of end users who are today more conscious on quality and hygiene.

I take this opportunity to extend my sincere thanks and gratitude to all the supporters and associate partners of Paperex South India 2018 for their cooperation and support to make this event a grand success.

I hope that the exhibitors, trade visitors and delegates to this event will derive maximum benefits from this event

Shri Pramod Agarwal, President, Indian Agro and Recycled Paper Mills Association

I am delighted to know that International Trade and Exhibitions India Pvt Ltd in association with Indian Agro & Recycled Paper Mills Association (IARPMA) is organizing Paperex South India - 5th International exhibition & conference during Nov 15-17, 2018 at Chennai Trade Centre, Nandambakkam Chennai, India.

The Paper Industry is one of the largest and fast-growing sectors in the Indian Economy. With the growth of literacy, industrial and economic development, there has been a commensurate increase in the demand for paper. Paperex South India is an admirable initiative of the organizers, to give a separate business platform to the regional paper industry, to compete in the international market. The mass audience of Paper Traders, Printers, Publisher, Converter and Paper Packaging Companies can explore the vast variety of papers at the show.

I am sure that exhibitors and trade visitors to this event will draw the maximum advantage from this opportunity.

Shri Pawan Aggarwal, President, Indian Pulp & Paper Technical Association

I am delighted to know that International Trade and Exhibitions India Pvt Ltd in association with Indian Agro & Recycled Paper Mills Association (IARPMA) is organizing Paperex South India - 5th International exhibition & conference during Nov 15-17, 2018 at Chennai Trade Centre, Nandambakkam Chennai, India

The per capita paper consumption in India at a little over 13 kg, is way behind the global average of 57 kg. India's demand for paper is expected to rise 53% in the next five years. Future looks more promising as the domestic demand is on the rise.

Such Business Event provide unique opportunities for overseas companies to gain the first-hand knowledge about the potential of the Indian paper industry for technology transfer.

Dr. R. C. Rastogi, President, Indian Recycled Paper Mills Association

I am happy to know that International Trade and Exhibitions India Pvt. Ltd., is organizing Paperex South India 2018, 5th International Exhibition & Conference on pulp, paper and allied industry from November 15 - 17, 2018 at Chennai Trade Centre, Chennai, India.

The Indian Paper Industry has been growing steadily with significant achievements to its credit. The technological advancements should be shared amongst various industries and such focused international B2B event plays an important role in face to face interaction and technology transfer from the world over.

I offer my Compliments to Industry leaders, participants, supporting organizations and trade media involved in Paperex South India 2018.

For the Paper traders Associations(REGD)

Shri Nitish N. Shah, President, The Paper Traders' Association Mumbai

I am happy to know that International Trade and Exhibitions India Pvt. Ltd., in association with Indian Agro & Recycled Paper Mills Association (IARPMA), is organising Paperex South India - 5th International Exhibition & Conference from 15th to 17th November 2018 at Chennai Trade Centre, Nandambakkam Chennai, India.

India's Pulp & Paper Industry is one of the fast growing sectors in the Indian economy. Per capita consumption of paper and tissue in India is increasing day by day with changing lifestyles of the Indian consumers, rising levels of literacy and increasing consciousness for personal hygiene.

This event is always very well attended by large gathering of Paper manufacturers to explore new and emerging technologies and machinery & equipment for Paper Mills.

On behalf of the Indian Paper Manufacturers Association (IPMA), I offer my compliments to the organisers, exhibitors, and participants of Paperex South India 2018, and wish the event a grand success.

Shri Saurabh Bangur, President, Indian Paper Manufacturers Association

I extend my best wishes to International Trade and Exhibitions India Pvt Ltd for organizing Paperex South India – 5th International exhibition & conference during Nov 15-17, 2018 at Chennai Trade Centre, Nandambakkam Chennai, India.

The focus of paper industry is now shifting towards more eco-friendly products and technology. Moreover, the paper industry in India is not into Mining, just cultivation of trees and no use of the reserved forest. The paper industry seeks to maintain and grow its economic contribution to society, foster the well-being of our communities, and utilize sustainable manufacturing practices and fiber procurement measures that protect the environment and ensures that our resources will be as available for future generations as they are today.

The event is appropriately timed for understanding the need of industry. The exhibition will serve as a window of opportunity for the exhibitors and visitors across boundaries.

I wish the exhibition a success.

Shri K. Arunachallam, Vice President, Fedration of Corrugated Box Manufacturers of India

I extend my best wishes to International Trade and Exhibitions India Pvt Ltd for organizing the Paperex South India - 5th International Exhibition & Conference during Nov 15-17, 2018 at Chennai Trade Centre, Nandambakkam, Chennai, India. The pulp and paper industry is one of the largest industries in the world. Growth in Asia is also speedy which accounts for about 40% of the total world paper and paperboard products.

Paperex is always well attended by a large gathering of Paper Manufacturers to explore New Technologies, Machinery, Equipment and Raw Material for Paper & Paper Board Manufacturing. Secondly, it is worth to mention here that Paper is the main ingredient for Printing and Packaging Industry, and it is absolutely must for all the constituents to work closely with the Paper Industry. Therefore, formation of a Federation is a requirement of the day in achieving the end results by bringing different segments of the industry under one umbrella.

I also extend my best wishes to the Exhibitors, Business Visitors and Delegates.

Shri S Dayaker Reddy, President, Indian Printing Packaging and Allied Machinery Manufacturers' Association

I am delighted to know that International Trade and Exhibitions India Pvt Ltd in association with Indian Agro & Recycled Paper Mills Association (IARPMA) is organizing Paperex South India - 5th International exhibition & conference during Nov 15-17, 2018 at Chennai Trade Centre, Nandambakkam Chennai, India.

Due to growth in literacy, change in lifestyle and increasing consciousness for personal hygiene, per capita consumption of paper and tissue in India is increasing day by day. The growth in GDP of India has led to the increase in manufacturing activities, increasing the demand for paper products especially the paper boards for carrying out wide range of activities ranging from packaging to storage, transportation and lot more.

This event may provide an opportunity to understand the Initiatives & Potential of Paper industry. It will also provide a business platform for the industry professionals and will go a long way to serve the need of the Indian Paper Industry. I am sure that exhibitors and trade visitors to this event will draw the maximum advantage from this opportunity.

I convey my best wishes to International Trade and Exhibitions India Pvt Ltd on this occasion and wish for its successful completion.

Shri Vinay D Patil, President, Indian Specialty Chemical Manufacturers Association

I am happy to know that International Trade and Exhibitions India Pvt Ltd in association with Indian Agro & Recycled Paper Mills Association (IAPRMA) is organizing Paperex South India - 5th International exhibition & conference during Nov 15-17, 2018 at Chennai Trade Centre, Nandambakkam Chennai, India.

Paper is an important product in daily life. It needs to be promoted for sustained growth. The fast growing paper industry will be witnessing automation, robotics and computerization in the future.

I am sure that exhibitors and visitors will draw the maximum advantage from this opportunity. I wish the exhibition a success.

Shri Hiren Karia, Hon. Secretary, Federation of Paper Traders' Association of India

My heartiest congratulations to International Trade and Exhibitions India Pvt. Ltd and INPAPER International - an international journal on world Pulp and Paper Industry brought out by Indian Agro & Recycled Paper Mills association (IARPMA) - an apex body of Indian Paper Industry for organizing Paperex South India '2018 - 5th International Technical Conference and Exhibition on Pulp, Paper and Allied Industry to be held from 15 to 17th November 2018 at Chennai Trade Centre, Chennai. I am sure that this exhibition and conference will address various issues of Indian Paper Industry such as technology, raw material, environment, energy, etc. I also learnt that there is an array of world class technologies from many overseas countries in the exhibition of Paperex South India'2018 and I am sure that these type of focused B2B event will link the paper, packaging and allied industries together and provide a common platform to share and source new technologies, machinery, products, etc.

The pulp and paper manufacturing industry is a key contributor to the Indian economy. Indian paper industry has made a steady growth during last couple of decades and starting from a very small base has reached a production level of almost 18 million tonnes per annum. Industry has been growing with an approx. CAGR of 6% -7%. Packaging grade paper has been the biggest contributor with almost double digit growth rate, even writing and printing paper has maintained a growth rate of 3.5% - 4%.

I am sure that the 3 days conference of Paperex South India 2018 with the theme "Recycling and Packaging" will address major issues of both the Paper and Packaging industries. I am happy to note that there are detailed presentations on raw materials, latest technologies, automation, pollution and environmental issues by reputed international scientists, technocrats, consultants etc. I hope the experience and expertise exchanged in the conference will enrich the knowledge of the delegates which will ultimately benefit in better performance of paper and packaging industries in the country.

I am sure that the Paperex South India '2018 will meet the expectations of the Indian Paper, Packaging and Allied Industries. I wish an eventful event to all the exhibitors, delegates and visitors of Paperex South India 2018.

Shri Anil Kumar, Sr. Vice President, Indian Agro & Recycled Paper Mills Association

It gives me immense pleasure to know that the International Trade and Exhibitions India Pvt Ltd in association with Indian Agro & Recycled Paper Mills Association (IARPMA) is organizing Paperex South India - 5th International exhibition & conference during Nov 15- 17, 2018 at Chennai Trade Centre, Nandambakkam Chennai, India.

The challenges of Paper Industry are increasing in current times and innovative strategies are needed to support the sector with long term sustainability and growth in mind. International exhibitions in trade fairs are helpful in spreading awareness about raw products contributing to sustainable development.

Acclaimed as world's largest paper show, Paperex South India is a renowned series of international exhibitions as well as conferences on Pulp and Paper Industry. I believe that Paperex South India is a comprehensive forum serving the paper industry for best sourcing, technology & knowledge transfer, joint venture and investments across the globe leading to the overall growth of the paper industry. I extend my warmest wishes to the Paperex South India 2018.

Dr. Pankaj Srivastava, Director, Indian Institute of Forest Management Bhopal, M.P
